Description

The building is a single story construction, characterised by a traditional shop front design. It has a recessed entrance centred between two bay windows. At the rear, facing High Street Mews, an extension has been added of shorter proportions to create a glass and brick conservatory like construction. The rear yard is gated and enclosed with a timber fence.

Location

The property is located within Wimbledon Village town centre and the Wimbledon Village Conservation Area. The property is situated on the north side of the High Street close to its junction with Church Road.

Title

The property is held freehold.

TOTAL			1,010 sq ft	£70,000			

Existing view of rear of property from High Street Mews

Planning

Planning consent was granted in January 2019 (Ref 18/P3998) for the addition of 2 floors at first and second floor level to provide 2 x 2 bedroom flats accessed via High Street Mews to the rear.

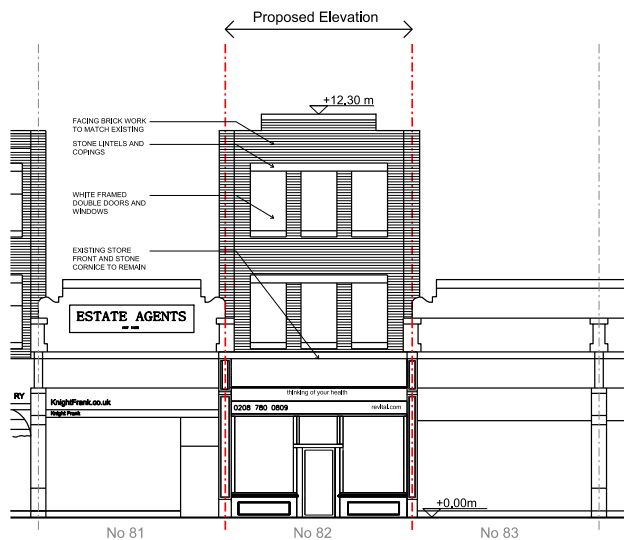

Each flat will total 850 sq ft GIA with a further 291 sq ft roof terrace to the rear of the first floor flat and a 3.5m balcony to the rear of the second floor flat.

The ground floor lease allows for the retail unit to be closed for up to 28 days to allow the structure of the building to be reinforced during construction. Compensation for the tenant has been agreed at £240 per day.

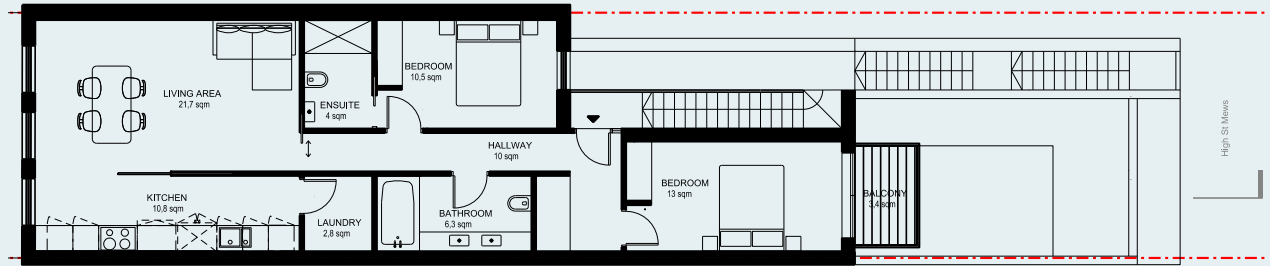

The vendor has materially implemented the planning consent to secure it in perpetuity and the required evidence can be provided upon request.

The vendor has already paid the CIL contribution of £53,450.
